At THOMCO, we believe what has made us successful is our dedication to the level of service we provide to our clients and to our producers. No matter what needs you may have, we will work with you to ensure your experience with us is a positive one.

If you have any questions or issues, please feel free to contact any member of our staff, and we will work hard to address your questions or concerns.

We look forward to working with you to maintain a strong, lasting relationship.

Our Portfolio of National Programs

**Allied Health
Choice**

Allied Health Choice offers coverages and services to many types of allied health businesses including a variety of Medical Care Centers, Home Health & Hospice Facilities, Labs, Clinics, Medical Equipment Distribution, Medical Care Consultants, Pharmacies, Surgical Centers and Visiting Nurse/Medical Staffing.

**Ambulance
Plus**

Ambulance Plus is a comprehensive program focused on protecting the medical transportation industry. It has continuously served the EMS industry since 1980 through THOMCO's American Agency division. THOMCO provides its EMS customers with a full array of Loss Control Services designed to help reduce claim frequency and severity. Workers' Compensation coverage is also available.

**Charter
School Pro**

Charter School Pro is a comprehensive program for small to medium-sized schools grades Pre-K to 12. Program coverages include: Professional and General Liability, Educators'/Legal Liability, Abuse Liability, Student Accident, Workers' Compensation, Property and Automobile.

**Child Care
Choice**

Child Care Choice is a multi-line program providing a comprehensive package of insurance coverages, including Workers' Compensation, for the child care industry. Child Care Choice is one of the largest national insurance programs for child care centers. Our program is designed to include for profit and non-profit operations providing early childhood education such as Corporate Child Care Centers, School Age Child Care, Nursery Schools, Parent Cooperatives and Private Elementary Schools.

**Developmentally
Disabled Plus**

Developmentally Disabled Plus is a multi-line program for clients who serve chronically disabled persons suffering from mental or physical impairment and other developmental conditions. Our program is designed to provide coverage for Residential Facilities, Sheltered Workshops, Camps and Transitional Living.

**Event
Planners Choice**

Event Planners Choice helps planners protect their businesses, whether handling trade shows, corporate events or small private gatherings. THOMCO's clients can be at ease knowing they're provided with a comprehensive liability insurance program especially tailored to their needs.

Fun Pro

Fun Pro is a program designed for Party Planners, Rental Business Owners or Corporate Event Organizers. This program offers comprehensive insurance coverages for rental and hard-to-insure equipment, including Rock Walls, Euro Bungees, Waterslides, Mechanical Bulls and Portable Rope Courses. Fun Pro also provides accident and health coverages during events.

Our Portfolio of National Programs

or Visit Us Online at www.Thomcoins.com

Head Start Program

Head Start Program consists of a comprehensive package of insurance coverages specifically designed for Headstarts. This is a multi-line program with coverages including: Property, General Liability, Automobile Liability, Professional Liability for Social Service Exposure, Sexual Abuse Coverage and Student Accident Coverage.

Health Club Pro

Since 1987, Health Club Pro has provided extensive Risk Management Service, Workers' Compensation and a full range of competitive insurance coverages for businesses ranging from a small fitness studio to large fitness/health clubs.

Home Health & Hospice Choice

Home Health & Hospice Choice provides package coverage for firms providing medical care and/or general assistance to individuals who are homebound. With the continuing trend toward independent living, there are now more than 10,000 certified Home Health Agencies and Hospice Organizations across the nation. Our goal is to help these organizations get the most coverage out of their insurance.

Hospital Fleet Complete

Hospital Fleet Complete offers coverage for hospital fleets, both emergency and non-emergency, including but not limited to: Ambulances, Passenger Vans, Executive Vehicles, Tractor/Trailer units used for Mobile Mammography or other types of testing, Dump Trucks used for landscape management and Step-Vans for laundry facilities. Coverages provided are mono-line Commercial Automobile Liability, Physical Damage and Inland Marine.

Independent School Choice

Independent School Choice is designed to be a comprehensive program for small to medium-sized schools grades Pre-K to 12. Our coverages include: Professional and General Liability, Educators' Legal Liability, Abuse Liability, Student Accident, Workers' Compensation, Property and Automobile.

In-Home Child Care

In-Home Child Care is specifically designed for those individuals caring for children in their homes. Coverages include Liability Protection not covered by standard homeowners' policies. Sexual Abuse Protection is automatically offered as a part of the Liability Coverage.

Massage Therapy Choice

Massage Therapy Choice is designed to meet the coverage needs of the rapidly growing massage industry. With years of experience in the health and beauty industry, THOMCO provides coverages and services. Workers' Compensation is also available to address the unique risks of massage centers.

Med Lab & Imaging Choice

Med Lab & Imaging Choice provides General Liability and Professional Liability for Medical Laboratories licensed by the state and certified by CLIA, or an Approved Accreditation Organization by the Health Care Funding Administration. The program is designed for mid-size labs performing a limited amount of Cytology/Pathology.

Mental Health Plus

Mental Health Plus is a multi-line program available nationally for facilities providing Residential Care, Outpatient Counseling and Transitional Living. This comprehensive insurance program addresses the needs of facilities treating mental conditions such as Depression, Schizophrenia, Manic Depression and Substance Abuse.

Para-Transit Pro

Para-Transit Pro is a program for Non-Emergency Medical Transportation providers including Para-Transit, Ambulette, Stretcher Van, Chair Car and Wheel Chair Van operations. Our package includes Automobile Liability, Physical Damage, Workers' Compensation and General Liability.

Personal Care Home Complete

Personal Care Home Complete is uniquely designed for small Personal Care Home operators licensed for 10 beds or fewer and provide a variety of care services such as assistance with activities of daily living, laundry, shopping, transportation and assistance with administering medications.

Pest Control Pro

Pest Control Pro is a package program designed for Pest Control operators. Liability coverages include Termite Inspection Errors and Omissions with limits equal to the General Liability limits of the policy at no additional charge. Property and Workers' Compensation coverages are also available. This is a national program with low minimum premiums available in all states.

Physical Therapy Choice

Physical Therapy Choice is designed to meet the unique needs of Physical Therapy Centers with a full range of custom-tailored coverages including General and Professional Liability, Automobile and Workers' Compensation, as well as enhancements for Property Coverage.

Pilot Car Choice

THOMCO offers protection for Pilot Cars, Trucks and other Vehicles through Commercial Automobile Insurance in the event of an accident. The program policy not only protects equipment and provides General Liability Coverage but also includes Professional Liability Coverage for a complete protection from accident claims.

Our Portfolio of National Programs

Senior Living Programs

Senior Living Programs provide a package including Property, Automobile, General Liability, Professional Liability and Umbrella for Independent Living, Assisted Living, Alzheimer's and Continuing Care Retirement Communities (CCRCs). Our program is targeted toward facilities with ambulatory residents requiring assistance with Activities of Daily Living. THOMCO also writes CCRC accounts in a campus setting involving Independent Living, Assisted Living and Skilled Nursing Facilities.

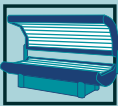

Social Service Programs

Social Service Programs is a multi-line package, and includes many programs such as Non-medical Adult Day-Cares, Advocacy Groups, Community Development, Community Action Agencies, Family Counseling Centers, Community/Neighborhood Centers, Resource/Referral and Services for the Elderly and Job Training.

Spa Choice

Spa Choice is designed to meet the coverage needs of the rapidly growing MediSpa, Day Spa and Beauty/Barber industries. The program is available for Teeth Whitening operations as well. Spa Choice offers exposure coverages for: Injectables, Permanent Makeup, Electrolysis, Chemical Peels, Hair & Skin Care Services, IPL Therapies, Tanning, Body Wrapping, Waxing, Acupuncture, Ear Piercing, Sclerotherapy, Laser Treatments, Teeth Whitening, Massage and Manicure/Pedicure. Workers' Compensation coverage is also available.

Tan Pro

Tan Pro offers comprehensive insurance packages covering both the Property and General Liability in a custom-designed policy. Operations incidental to the tanning service such as Manicure/Pedicure, Electrolysis and Body Wraps are frequently covered as well.

THOMCO's Risk Management Program

Loss Control and Risk Management services provided by THOMCO are intended to create value for our clients, brokers and companies through effective practice and disciplines, communication, and presence. Current tools and resources in the industry should be utilized to our clients' and brokers' maximum advantage in communicating loss control directives and creating a culture of safe industry practices that are proven to reduce losses in the industries we serve.

Our partnerships with highly skilled and capable industry professionals to provide support for our loss control efforts is intended to obtain the greatest results from the resources utilized. This allows our clients to concentrate on their businesses while still moving toward improvement in areas of loss prevention.
