Personal Care Home Complete

Personal Care Home Insurance From A Company Who Cares

Thomco announces a new product to complement our Senior Living Program. Personal Care Home Complete is uniquely designed for the small personal care home licensed for 10 beds or less who provide a variety of care services such as assistance with activities of daily living, laundry, shopping, transportation and assistance with medications.

Please visit our website at www.thomcoins.com

To meet the complex risk management needs, all Personal Care Home Complete clients will receive a telephonic quality assurance survey by our partner, Senior Risk, LLC. In addition, all clients will have access to Thomco University, which provides a library of information and offers many valuable resources that are important for the Senior Living industry.
