

Health Club Pro

It's a Customized Workout
for Your Insurance Coverage

Health Club Pro

Thomco's Health Club Pro is designed to meet the coverage needs of the Health & Fitness Industry. Whether you are a small fitness studio or a large fitness club, Thomco has designed a full range of competitive insurance coverages and services that address the unique risks of fitness clubs like yours. With over 20 years of experience in the Fitness industry, Thomco provides extensive Risk Management and Education Programs that assist our clients in spotting emerging trends and identifying exposures, helping our clients avoid the types of incidents that can lead to serious claims. Our in-house staff of industry professionals is dedicated to ensuring that your business is well-informed with the highest level of customer service, fast turnaround on policy underwriting and claims resolution.

Need coverage for your independent Personal Trainers? We are the industry's leading provider of professional liability coverage for personal trainers and group exercise instructors, including Martial Arts Instructors. Visit our website at www.trainerinsurance.com for more info.
