

Personal Care Home Complete: Thomco's Newest Program for the Senior Living Industry

Kennesaw, Georgia – January 21, 2008 – Thomco announces Personal Care Home Complete, a new program for Personal Care Home organizations licensed for 10 beds or less. Personal Care Home Complete provides coverage for in-home personal care organizations who assist individuals with activities of daily living, laundry, shopping, transportation and administering of medication.

Thomco understands the insurance needs for those providing care for seniors in their home. This program includes General Liability & Professional Liability coverage with limits up to \$1,000,000 per claim/\$3,000,000 aggregate. Deductibles start at \$1,000 for qualified applicants. Sexual Abuse coverage is available. Furthermore, our program has no exclusions for physical abuse or punitive damages. This program is available in all states except AK, HI, IL, KY and AZ.

To assist with improving the risk management of Personal Care Homes, all clients will receive a quality assurance evaluation by our partner, Senior Risk, LLC. In addition, all clients will have access to Thomco University as well as Thomco's Online Risk Management Resource Center, which provides a library of information and offers many valuable resources that are important for the Senior Living industry.
